Začetki Mines IB d.o.o. slonijo na kovinskem programu, kateri je imel kar desetletje vodilno vlogo v podjetju.  
The beginnings of Mines IB d.o.o. are based on metal program, which was leading program for a first decade.

Pokazala se nam je dobra poslovna priložnost iz katere smo ustvarili novi blagovni znamki BLITZ in SFT, s katerima se je pričelo uveljavljanje prepoznavnost in kakovosti izdelkov na vodovodnem programu.  
We saw a good business opportunity from which we create a new brands on sanitary program. Here it began enforcement for visibility and quality on our new brands BLITZ and SFT.

Leta 2006 se je podjetje specializiralo tudi na področju varilno - rezalne tehnike. Pridobilo je zastopništvo za svetovno poznani podjetji CEBORA in PERKEO-WERK.  
In 2006, the company specializes in the field of welding and cutting technology. Company starts represent two world leading companies, CEBORA and PERKO-WERK.

Z začetkom prodaje armatur smo posodobili logotip lastne blagovne znamke BLITZ. Kakovost izdelkov in vestnost zaposlenih sta bili ključni za preboj naših izdelkov na trg.

**Nova podoba**  
Updated brand design

V letu 2012 smo vzpostavili proizvodnjo armatur in s tem postavili nov mejnik v razvoju podjetja.  
In 2012 we introduced the faucets production and thereby set a new milestone in company growth. Products and good team, were crucial for market success.

Blagovna znamka BLITZ postaja vedno bolj uveljavljena in prisotna na trgih Evrope, Anglije, severne Afrike, ter Arabskega polotoka. Kakovostne sanitarne armature in vodovodni dodatki so postali sinonim za odlično razmerje med ceno in kvaliteto.  
Brand BLITZ was becoming more and more established in the amarkets of Europe, United Kingdom, North Africa markets and Arab peninsula. High quality faucets and sanitary spare parts under BLITZ brand, are synonymous for the best price to quality ratio.
